Family Reunification Program

Our Vision: *Creating a world where immigrants and people on the move are treated with respect, dignity, welcome and belonging.*

Who We Serve

- Clients* under the age of 18.
- Primarily Central American youth who enter the U.S. without an adult guardian.
- Youth who entered the U.S. without legal documentation.

*All clients are referred by the Office of Refugee Resettlement.

Our Services

- Home Study— A thorough assessment of proposed placement prior to reunification if safety is in question.
- Post Release Services— Ongoing case management and support upon family reunification. Continuous assessment of child's safety and well-being, referrals to community resources, and crisis management.
